RELAX! God put the wiggle in children, don't feel you have to suppress it in God's House. All Are Welcome here at St. Paul's Church! Sit toward the front where it is easier to see and hear. Quietly explain the parts of the Mass. Sing the hymns and songs, pray and voice the responses together. Children learn liturgical behavior by copying **YOU!** If you have to leave Mass with your child, please feel free to do so, but please come back. As Jesus said, "Let the children come to Me." Remember that the way we welcome children in Church directly affects the way they respond to the Church, to God, to Christ and to one another.

Let them know that they are at home in this House of Worship. To the members of our Parish, a smile of encouragement is always welcome to parents with small, active children. The presence of children is a **GIFT** to the Church. They give us a future full of hope.

COUNSELING

St. Paul's Church is pleased to introduce a confidential service available at a minimal fee to our parishioners. This program, the Parish Counseling Network (PCN) entitles parishioners to 6 sessions with a Professional Clinician who can help with a variety of individual and inter-personal issues. Please contact Fr. Sean or a member of the parish Administrative staff for more information to access services. This is offered under the auspices of Parish Relations and Community Outreach, Catholic Charities Community Services of Orange and Sullivan Counties.

OUR SUGGESTION BOX

Our Suggestion Box has not been very busy but there are several things.

Our music selections came up a couple of times: some want up-beat, hand clapping music; others want quiet, traditional, oldies. It might be helpful to all, if we realize that our choices have to work with the theme of the Liturgical Season as well as the Readings and Prayers of the day. For example, we won't do a hymn to Mary on a Feast of the Lord, and we won't be singing hand clapping tunes during Lent. So we must be aware that our choices are restricted.

There were several suggestions that we have another Ministry Fair. The Parish Council is working on that now.

For safety sake, please lift the kneelers up when you are going to Communion so that people can get from and back to their seats without hurting themselves.

In addition to observations about music, there were suggestions having to do with flowers, temperature in the church, and the value of the community praying in unison. At the Ministry Fair, we will be beginning a Liturgical Environment Committee to address these and other issues. Please consider getting involved!

ST. PAUL'S HAS A BONE TO PICK WITH YOU

Was it only 12 mos ago? More likely 18. Seems (so much) longer. Decisions had to be made. Would it be chicken or fish?

**St. Paul's has your 2017 strategy!
This Sunday: a chicken on every plate.
October 20: fish, fresh from the fryer.**

Join us now as we savor St. Paul's Harvest BBQ and later as we relish (um, tartar) October's Fish Fry!
(Watch for more details in the coming weeks.)

DOSE OF REALITY A community conversation.

Addiction is a scary subject to talk about. The fact that it's scary does not stop it from happening.

Be part of the conversation that starts to turn the tide of this epidemic. Please join other concerned citizens.

HIS WORD TODAY by Rev. William J. Reilly

Twenty-fourth Sunday in Ordinary Time

“Forgive your neighbor’s injustices, then when you pray, your own sins will be forgiven. Could anyone nourish anger against another and expect healing from the Lord? Could anyone refuse mercy to another like himself can he seek pardon for his own sins?... Remember your last days, set enmity aside, remember death and decay, and cease from sin. Think of the commandments hate not your neighbor, remember the Most High’s covenant and overlook faults.”

When we consider the word power, we might think of electricity, strength, or brute force. The greatest power available is not material, physical or even emotional. The greatest power resides in every person, yet often goes unused.

The scriptures today reflect that power and it is found in the word forgiveness. Every person has the power to forgive. In our world beset with hatred, war, discrimination rarely do we resort to the use of this power. We are set on dominating, getting even, putting others in their place. We judge, presume intentions and motivation, yet fail to see the splinter in our own eye. The power to forgive is a gift for use, for my own well being and for others.

I recall a wise old priest who directed others to ‘look the other way’.
