

Dear Parishioners:

Good news; bad news; and an urgent request.

The good news is that 6 new volunteers came forth to help us make a decision in favor of restoring the 2 Sunday Masses.

The bad news is that because of life changes (people moving; job changes), we will be losing three existing ushers and greeters. Leaving us with a gain of only 3 volunteers.

And so, my urgent request to you is this: if you would like to see us return to 2 Sunday Masses and make Mass more available and safe for more parishioners, then please seriously consider becoming a volunteer for our weekend Masses. Unless we have at least 10 more new volunteers, we cannot even consider returning to 2 Sunday Masses.

If you can volunteer, please simply reply to this Flocknote, call the office, or email me at frsean@aol.com

Many thanks for the 6 new people who have come forth to help. God bless you all.

Fr. Sean
